PRESIDENTS MESSAGE

Welcome to the last newsletter of the year. **I'm about to go on a hunting trip** (at long last) something I have been hoping to do for some time. Hopefully we will be successful!

Before I start on any ramblings I would like to give a thank you to Vicki our hard working Treasurer. Vicki has spent considerable time sorting out our internet connections (there are about 5 at last count) and creating a plan to cut back the complexity and cost. While doing that she has been dealing with major issues with her mature age parents. **So if things don't seem to be happening please be patient.**

Attendance at our meetings have been down which is a disappointment not just to us but also to Brono who has had to lay off staff. It would be nice to see members turn up and be part of the club.

At this stage we have no one booked to give a talk at February's meeting but we will have our March meeting at Aussie Disposals again followed by Autobarn opposite lock in April.

We have our annual Christmas breakup dinner coming up next month so see you there. Until then happy hunting!

Regards Andrew Yeomans

A festive border at the top of the page features green pine branches, red and gold ornaments, a red and white striped candy cane, and a gold gift box with a red ribbon.
